

Competition MY WORLD & MY LIFE

Competition Winners

In September we asked you to enter our competition and send us posters that show your world. In the end, we received more than 300 posters from all over the Czech Republic and Slovakia. Once again, we have been very impressed by your creativity, intelligence and humour. We want to say a big thank you to everybody who entered the competition. We hate to disappoint anybody and would love to give you all prizes, but we hope you had fun making the posters and thinking about your worlds and sharing them with us.

The Winners Are...

1st PLACE

ZUZANA LOVÁSZOVÁ (14 years old)

Základná škola Československej armády,
Moldava nad Bodvou

TEACHER Mgr. Nikoleta Ďurášová

We loved this poster from Zuzana with its cool graffiti style, excellent use of colour and creative artwork (including a skateboarding skeleton). It gave us a great view into Zuzana's world which she says is "simple and adorable". Well, we definitely agree with you Zuzana. Congratulations!

PRIZE Alza voucher worth 7,000 crowns

2nd PLACE

TEREZIE LENKOVÁ (14 years old)

Doctrina – Podještědské gymnázium, Liberec

TEACHER Mgr. Petra Quirenzová

Terezie has created a beautiful picture of her life. We loved the contrast of colour and black and white, and thought her simple illustrations were really professional. We learnt about her many pets and her love of ice-cream. We think a lot of time and care went into this poster so Terezie, thank you!

PRIZE Alza voucher worth 5,000 crowns

3rd PLACE

KLÁRA DOŠKOVÁ (13 years old)

Základní škola Bratraců Veverkových,
Pardubice

TEACHER Mgr. Petra Tomášková

We really liked Klára's poster showing herself holding a rainbow-coloured world, and it is clear that she is a very talented artist. She told us all about her love of Harry Potter, and how she tries to spread happiness. She also writes that she loves cartoons, even if some people think she is too old for them. We have a message for you Klára: You are never too old for cartoons.

PRIZE Alza voucher worth 3,000 crowns

4th PLACE

JANA KŘIŠANDOVÁ (15 years old)

Gymnázium Spišská Stará Ves

TEACHER Mgr. Daniela Krajgerová

Jana tells us that her world is her painting, and this is clear from her amazing poster. We were immediately impressed with her animal pictures, which are so realistic. The starry night sky and dark trees gave the poster a really magical feeling. We think Jana has a very bright future ahead of her.

PRIZE Alza voucher worth 2,000 crowns

5th PLACE

ONDŘEJ VANĚČEK (17 years old)

Gymnázium a Střední odborná škola zdravotnická a ekonomická Vyškov

TEACHER Mgr. Monika Schweidlerová

Ondřej's entry was like a wonderful, colourful dream. His love of art is clear to see and we thought this was a really professional looking poster. We are also big fans of the Kurt

Cobain quote he used: "Wanting to be someone else is a waste of the person you are." We couldn't agree more.

PRIZE Alza voucher worth 1,500 crowns

The teachers of all 1st–7th place winners will receive a voucher for bridgebooks.cz.

Special Awards

Posters weren't the only things we received. Bernadett Greczmajer from Základná škola Československej armády in Moldava nad Bodvou sent us a very impressive book using all kinds of different materials.

Eva Vejvodová prepared a truly amazing box in a box that was full of little surprises and secret messages. Really beautiful.

We must mention one of our youngest contestants, Antonín Valenta from ZŠ Kroměříž who is just ten years old and sent us an invitation to his world.

And we have to give an award for the biggest poster – 120 × 85 centimetres – by Veronika Fuková from Hluboká nad Vltavou.

Also we liked many others and we would like to thank all the schools that worked on the posters with their students: ZŠ Generála Klapálka Kralupy nad Vltavou, ZŠ Kladno Moskevská, ZŠ Strž Dvůr Králové nad Labem, Gymnázium Jiřího z Poděbrad, Poděbrady, ZŠ a MŠ Žeravice, Súkromá ZŠ Skalica and many more.

6th PLACE

VERONIKA NEČASOVÁ (14 years old)

Arcibiskupské gymnázium v Kroměříži

TEACHER PaedDr Věra Jessie Olexinová

This poster looks like a direct link into Veronika's brain. We love the level of detail that has gone into it. We notice something new every time we look at it. Veronika writes that sometimes she smiles and sometimes she cries. We hope you are smiling today, Veronika.

PRIZE Alza voucher worth 1,000 crowns

7th PLACE

TOMÁŠ ČELEK (13 years old)

Gymnázium Čelákovice

TEACHER Mgr. Marta Zettelová

What we really liked about Tomáš' poster is that it gave us a great idea about who he is. Not only because he drew a self-portrait, but because he included some code for a program that will repeat the phrase "Hello world". With his love of programming and statistics it is clear he has a very logical brain – but not too logical to draw a picture of a unicorn dancing on a rainbow!
